

6th Annual Summit

Vocational Rehabilitation Program Evaluation & Quality Assurance

September 16-17, 2013 | Providence, RI

Please Join Us as a Sponsor or Presenter at the 6th Annual Summit on VR Program Evaluation & Quality Assurance

Summit Goals

To share promising, up-to-date program evaluation and quality assurance practices that improve service delivery in the vocational rehabilitation (VR) system, this Summit will...

- Provide educational experiences based on the expertise of knowledgeable professionals
- Encourage collaboration and information sharing
- Inspire movement towards excellence in program performance as a means of providing quality employment services to people with disabilities

Summit Highlights

- Formal and informal networking opportunities
- Nationally renowned keynote speakers
- 20 breakout sessions on program development, evaluation, and improvement
- Poster sessions showcasing the latest research in the field
- Diverse selection of presenters, including practitioners, educators, graduate students, disability advocates, and professional program evaluators

Help us broaden our audience!

The summit will offer a small number of stipends to support attendance by graduate students and self-advocates. By becoming a sponsor, you will help ensure that a wide range of people in the VR field are able to attend this event.
